COUNTY OF FAIRFAX
VIRGINIA

**INVITATION TO APPLY FOR PRE-QUALIFICATION FOR
INCINERATOR SCRUBBER IMPROVEMENTS
NOMAN M. COLE, JR. POLLUTION CONTROL PLANT
PROJECT NO: WW-000017-003**

Fairfax County is soliciting pre-bid qualifications for the installation of four incinerator scrubbers in connection with the Incinerator Scrubber Improvements project at the Noman M. Cole, Jr. Pollution Control Plant (NMCP), 9399 Richmond Highway; Lorton, Virginia 22079. The County is furnishing the scrubber equipment for this project under a separate contract. Only firms that have been pre-qualified in accordance with the procedures in the Pre-qualification Application will be eligible to submit bids for this project. Bids received from those who have not been pre-qualified will not be considered. Construction bids for this project are scheduled to be received in Winter 2015.

The work shall include the following: The installation of owner furnished equipment to include, but not limited to, quench section, impingement tray retrofit, multiple-Venturi and mist eliminator section, multiple various water lance/sprays and assemblies, booster pump skid with pumps, filters, I&C rack and programmable logic controller panel, various valves, flowmeters, pressure and temperature switches, and gauges.

The General Contract for this project is anticipated to be advertised for bid in **February 2015** with bid opening in **March 2015**. The projected Contract Award date is planned for **April 2015**, with an anticipated construction start of **May 2015**. The overall construction duration is planned to be 12 months. These are estimated dates and durations and are subject to change. The cost for this project is estimated to be \$3 to \$5 million.

Pre-qualification Applications will be received in the Office of the Director, Utilities Design & Construction Division, Department of Public Works & Environmental Services, 12000 Government Center Parkway, Suite 463, Fairfax, Virginia until exactly **2:00 PM** on **Friday, December 19, 2014**. Applications received after this time will not be accepted.

Pre-qualification Applications may be obtained commencing on **Tuesday, November 25, 2014**, from the Utilities Design & Construction Division, Department of Public Works & Environmental Services, 12000 Government Center Parkway, Fourth Floor, Suite 463, Fairfax, Virginia 22035-0052.
