ATTACHMENT B

REPLACE: Page (10 OF 23) with the revised page attached.

Summary of changes in the referenced pages above:

Revised text to call for listing ten (10) projects completed during the last five (5) years.

END ADDENDUM NO. 1

COUNTY OF FAIRFAX, VIRGINIA

By:

Brad Melton, Director, Utilities Design and Construction Division
Department of Public Works and Environmental Services

Dated: 10/31/14

- B. Project Experience: List construction projects currently being performed or performed during the past five (5) years as outlined in Attachment B. Provide details on ten (10) construction projects with similar scope of work as described in Section 2 above on the enclosed form (Attachment B) to demonstrate conformance to minimum experience requirements described in Section 5C above.
- C. Key Personnel: Information about the experience of the key personnel that the applicant plans to assign to this project.
- D. Contractor's License: A statement of applicant's ability to acquire a Virginia Class A Contractor's License, if currently unlicensed, prior to bidding; and a commitment to require that all affected subcontractors obtain applicable Virginia licenses.
- E. Surety Statement: Applicant's ability to acquire bid, performance, and payment bonds for one (1) million dollars in addition to the bonding capacity for task orders approved for construction under this contract.
- F. Safety Program and History: Description of Applicant's Safety Program, Safety Record and EMR, during the past three (3) years.
- G. Fairfax County Construction Safety Resolution
- H. Quality Control Program: Applicant shall outline its Quality Control Program and its implementation plan.
- I. Affidavit of Accuracy: Certification that the information contained in the Application for Pre-qualification is true and accurate. The form in Attachment K shall be used.

7. PROJECT EXPERIENCE

The pre-qualification application shall demonstrate the experience of the Applicant as a general contractor of new multipurpose transportation, pedestrian, site development, stormwater and utility projects. The Applicant shall describe their experience, specifically identifying and describing the following:

A. Minimum Experience Requirement:

1. The Applicant must have been established as a full time construction contractor for a minimum of ten (10) years holding or eligible to hold a Virginia Class A contracting license.
2. The Applicant shall have acted as a General Contractor and have completed at least ten (10) projects with similar scope of work as described in Section 2 above, each project with an original contract value of \$1.0 million or more, within the last five (5) years. At the discretion of the owner, projects with

PROJECT EXPERIENCE

Applicant shall demonstrate conformance to the experience requirements of this solicitation and provide the following:

1. On a separate sheet(s), list all construction projects and annual contracts your organization has in progress, giving the name of project, scope, owner, design engineer/architect, contract amount, percent complete and scheduled completion date.
2. On a separate sheet(s), list all projects similar to the work herein being performed or performed during the past five (5) years, giving the name of project, owner, design engineer/architect, contract amount, and date of completion and project scope description. Please verify prior to submission that all contact information is accurate and current.
3. Provide on the following pages (Attachment B) the details of ten (10) similar roadway construction projects for which the Applicant has acted as a General Contractor for governmental, institutional, or private owners within the last five (5) years and have achieved or shall achieve substantial completion by October 31, 2014. The minimum original Construction Contract Value for these ten (10) projects shall be \$1,000,000 each. At the discretion of the owner, projects with larger value amounts than one million dollars can be considered equivalent to more than one one-million dollar project to meet this requirement. The minimum construction contract value noted above must be for work directly related to roadway work, utility work, and storm water management improvements.
