

**Affidavit for Demolition of Accessory Structures**  
**Permit Application Center**

This form must be completed and signed by the property owner or owner's agent prior to the issuance of a demolition permit. The applicant is required to provide written verification from the utility company(s) that the electric, gas, sewer or water has been properly disconnected. Otherwise, the applicant shall certify that no utilities have ever served the structure. By signing this affidavit, you are affirming that either the attached written utility disconnection verification is accurate, or that the structure has not ever been served by electricity, gas, water, or sewer to the best of your knowledge. If you have questions, please call the Customer and Technical Support Center at 703-222-0801, TTY 711.
