ASBESTOS CERTIFICATION

- ▶ This building received its initial building permit on or after January 1, 1985 and is exempt from the asbestos regulations specified in Section 108.10 of the Virginia Uniform Statewide Building Code.

YES NO

- ▶ This building received its initial building permit prior to January 1, 1985 and has been inspected for asbestos and was found to be free of asbestos. A copy of a Fairfax County Asbestos Inspection certification form attesting to this is attached.

YES NO

If the building requires an asbestos inspection and has not been inspected for asbestos, a separate asbestos inspection certification form must be submitted with each building permit.

CONDITIONS OF PERMIT

1. All work must meet the requirements of the current edition of the Virginia Uniform Statewide Building Code.
2. A separate permit application at the cost listed in the fee schedule for "Permits Requiring No Plan Review or Inspection" shall be submitted by the 10th day of the month for each type of installation (i.e., building, electrical, mechanical or plumbing) done the previous month. An inspection report and certification signed by the authorized party must be submitted with each application. The authorized party for a building permit is a Virginia licensed registered design professional; for an electrical, mechanical or plumbing permit the authorized party is the contractor or licensed tradesman who performed or supervised the installation.
3. A copy of this annual permit must accompany each group of permit applications submitted for processing.
4. All installations may be randomly inspected by county staff at the discretion of the Fairfax County Building Official.
5. Work permitted under this annual permit is limited to the work described in the "Guidelines for the Commercial Annual Permit Program."
6. Failure to comply with these requirements will result in cancellation of the annual permit.

I have read and agree to the conditions set forth in the "Guidelines for the Commercial Annual Permit Program" and this application.
