

**RESPONSIBLE LAND DISTURBER CERTIFICATION**  
**Effective July 1, 2001**

Amendments to the Virginia Erosion and Sediment Control Law, §§ 10.1-563 and §§ 10.1-566 of the Code of Virginia

Revisions to the Virginia Erosion and Sediment Control Law require, as a prerequisite to the approval of an erosion and sediment control plan, that the person responsible for carrying out the plan (owner/developer/permittee) shall provide to the plan approving authority the name of an individual holding a certificate of competence (Virginia Professional Engineer, Virginia Land Surveyor, Virginia Landscape Architect, Virginia Architect, Combined Erosion and Sediment Control Administrator, Erosion and Sediment Control Administrator, Erosion and Sediment Control Plan Reviewer, Erosion and Sediment Control Inspector, Erosion and Sediment Control Contractor, Responsible Land Disturber) issued by the Department of Conservation and Recreation (DCR) who will be responsible for carrying out the land disturbing activity. Please note that a contractor's business license issued by the State or County does not satisfy the requirement for certification from DCR; a special exam on the principles and practices of erosion and sediment control is required to obtain this certification (<http://www.deq.virginia.gov/ConnectWithDEQ/TrainingCertification/RLDGeneralInformation.aspx>).

This information must be kept current for the life of the plan. Plans approved prior to July 1, 2001 are not subject to this requirement. The requirement is applicable to the following plan types:

PLAN TYPE

Bonded Lot Grading Plan (SD w/extension)  
Infill (Non-Bonded) Lot Grading Plan (INF)  
Landfill Plan (LF)  
Minor Site Plan (MSP)  
Minor Site Plan Redate (MSPR)  
Public Improvement Plan (PI)

PLAN TYPE

Rough Grading Plan (RGP)  
Subdivision Plan (SD)  
Subdivision Redate Plan (SDR)  
Site Plan (SP)  
Site Plan Redate (SPR)  
Waiver Condition Plan (WCP)

Use this form to provide the required information to Land Development Services prior to plan approval and whenever the individual responsible for carrying out the land disturbing activity changes during the life of the approved plan.
