Facility Rules & Regulations for the I-66 Transfer Station Complex

I-66 TRANSFER STATION COMPLEX RULES AND REGULATIONS 4618 West Ox Road, Fairfax, Virginia 22030 (Effective January 2011) (703) 631-1179

In order to provide efficient and economical disposal service, the following rules will be strictly enforced at Fairfax County's I-66 Transfer Station Complex.

AREAS OF THE I-66 TRANSFER STATION COMPLEX

Collection and disposal companies will deliver their municipal solid waste into the I-66 Transfer Station building for processing. Companies may bring materials such as yard waste, brush and metals to the Recycling and Disposal Center (RDC).

Residents of Fairfax County and Commercial Cash customers will dispose of waste and deliver recyclable material to the RDC.

Residents who wish to dispose of household hazardous waste will use the Household Hazardous Waste facility.

ALLIANCE DRIVE

Drivers are reminded not to use Alliance Drive. Tickets may be issued to drivers of trucks using this roadway and Transfer Station personnel may suspend drivers from disposing their loads.

I-66 RDC

Delivery of clean brush, yard waste and ferrous metals/white goods will be made to the I-66 Transfer Station RDC where areas are designated for such materials. Yard waste consists of leaves, grass and twigs. Clean brush is the woody part of yard waste, such as tree trimmings or prunings (including Christmas trees). The I-66 RDC can accept a branch and/or trunk diameter of 20 inches or less. Ferrous Metals/White Goods include, but are not limited to, stoves, refrigerators, washing machines, clothes dryers, and hot water tanks.

It is the responsibility of the customer to immediately remove any unauthorized solid waste discharged at the I-66 Transfer Station RDC.

CONSTRUCTION & DEMOLITION DEBRIS

Commercial loads of dirt, concrete, asphalt, rock, and other similar material will not be accepted at the I-66 Transfer Station Complex.

CUSTOMERS AT THE I-66 TRANSFER STATION COMPLEX

Customers must obey the following rules in order to ensure the safe and efficient operation of the Complex. Failure to comply may result in the suspension of the individual(s) and the company from using the facility. The I-66 Transfer Station Complex Manager will determine the duration of any such suspension. At the option of the I-66 Transfer Station Complex Manager, the restriction may begin immediately or be scheduled based upon the circumstances. The I-66 Transfer Station Complex Manager or his representative will telephone the company owner/representative to relay the specific circumstances and duration of any suspension.

GENERAL REGULATIONS

1. All individuals entering the I-66 Transfer Station Complex must conduct themselves in an orderly manner and follow the oral/written instructions of County personnel, including inspectors and traffic directors.
2. County solid waste permit decals must be clearly displayed on both sides of collection and disposal vehicles.
3. Speed limit at the Complex is 15 mph. *Drive safely* and minimize your speed when entering or leaving the facility.
4. All commercial vehicles are subject to random vehicle inspections by County personnel.
5. All commercial vehicles must pass through the scales before discharging any materials at the Transfer Station or RCD. Drivers must stay with their vehicle while in line and at the scales.
6. No person will use or possess intoxicating beverages or illegal drugs while on the property of the I-66 Transfer Station Complex.
7. All persons/vehicles enter the I-66 Transfer Station Complex at their own risk.
8. The County of Fairfax assumes no liability for damages to vehicles or injuries to individuals while on the premises of the I-66 Transfer Station Complex. Report any accident immediately to the I-66 Transfer Station Complex Manager or his representative
9. Use of the I-66 Transfer Station Complex is limited to commercial companies with collection or disposal permits, residents and government agencies.
10. Fairfax County reserves the right to change or modify these rules without written notice.
11. Out-of-state waste cannot be accepted for disposal at the I-66 Transfer Station Complex. In order to dispose of out-of-state waste, companies must have a separate request approved by the Director.

VEHICLE REGULATIONS

12. All disabled vehicles on the Complex's access road must display approved warning devices and drivers must remain with their vehicles. Minor repairs may be made with the approval of the I-66 Transfer Station Complex Manager or his representative. Vehicles may not be repaired or abandoned at the facility. Any abandoned vehicle will be towed at the owner's expense.
13. Tailgates are only to be unlatched on the tipping floor or at the RDC disposal location.
14. The County of Fairfax assumes no liability for the towing of any vehicle nor are County employees permitted to hook-up vehicles for towing.
15. No open-top roll-off containers are allowed unless carrying grass, brush, leaves, metal, or under special circumstances previously arranged.
16. Vehicles entering the I-66 Transfer Station Complex may be subject to passing through radiation detectors. Should an alert occur, the driver must follow the instructions of County personnel who will assess and determine what happens to the load.
17. All waste disposal vehicles with materials that could blow out of the vehicle must be covered during transport. This includes empty open-body type vehicles that have finished disposal and may contain loose refuse. The cover may only be removed at the disposal area.
18. All solid waste collection vehicles using the I-66 Transfer Station Complex must have operating back-up alarms.

DRIVER REGULATIONS

19. Drivers must be aware of County residents and smaller vehicles entering and leaving the I-66 Transfer Station Complex and RDC.
20. Drivers must enter and exit the scales slowly and stop smoothly to prevent damage to the scale equipment.
21. Drivers must immediately remove any waste discharged at the I-66 Transfer Station Complex deemed unacceptable by County personnel.
22. Drivers must state the ORIGIN and TYPE OF MATERIAL of the waste to be disposed.
23. Drivers, whose routes or collection locations include a medical facility, clinic, medical complex or doctors' offices where medical procedures are performed must alert scalehouse staff when entering the I-66 Transfer Station Complex. When asked the

Origin of the waste, the driver should reply hospital, doctors' building, etc. The load of waste may then be screened for medical waste (red bags) that **CANNOT** be disposed at County facilities.

24. Drivers of trucks with hydraulic leaks will be responsible for their own spills. Trucks with repeated problems may be banned from the site until adequate maintenance is performed.
25. Drivers may not use cell phones, AM-FM, CB, and/or two-way radios while on the scales at the I-66 Transfer Station Complex and should limit their use at all other times while at the facility.
26. Drivers may not use horns on the site unless for safety or emergency purposes.
27. Drivers may clean out behind the compaction blade only when the space is available to park the vehicle.
28. **Drivers and all other personnel must wear safety vests with reflective material or clothing with reflective markings (orange or yellow) while out of their vehicles at the I-66 Transfer Station Complex.**
29. **Drivers must notify scale personnel immediately in the event of a vehicle fire/hot load and follow the instructions given by County personnel.**
30. If potential violations are noted during random or scheduled inspections, drivers must sign the inspection form indicating the materials found, time, date, and vehicle. Their signature does not indicate agreement with the alleged rules violation.
31. Drivers will not knowingly dispose of recyclable materials, brush, yard waste, or other special or prohibited waste on the tipping floor.
32. Drivers are responsible for the removal of any litter blown from their vehicles onto the roads of the facility.

SUSPENSION OF DISPOSAL PRIVILEGES

The County reserves the right to immediately suspend disposal privileges in the event of:

- Nonpayment of solid waste disposal fees or delinquent accounts.
- Disposal of unacceptable or hazardous waste.
- Failure to have a vehicle properly permitted and inspected.
- Operating vehicle and/or container with safety deficiencies or in an unsafe manner.
- Salvaging and/or removal of unauthorized items from discharged waste.
