Facilities Management
Recycling Requirements for All Fairfax County Public Schools Facilities

I. PURPOSE

To establish a policy for recycling and a culture of environmental stewardship within Fairfax County Public Schools (FCPS).

II. PHILOSOPHY

The School Board recognizes its obligation to be a good steward of the environment, to use materials in the most efficient manner possible, and to promote environmental stewardship to the students. This obligation shall require all FCPS facilities to recycle to the maximum extent practicable in an effort to reuse limited natural resources and to minimize our contribution to the waste stream.
