Huntington Community Town Meeting

January 15, 2008 @ 7:00pm
Walt Whitman Middle School, 2500 Parker's Lane
Alexandria, VA 22306

Purpose: Ensure that community members are provided opportunities to remain informed about and involved in the flood damage reduction study for the Huntington Community, Fairfax County, Virginia. The goal of this meeting is to provide information regarding the findings of the study to date and the next steps, answer any questions, and receive constructive input from the community.

Anticipated Outcomes:

- Provide a forum for participation in the flood damage reduction study
- Maintain an ongoing dialogue for the duration of the study/project
- Determine if there are concerns/ideas/sensitivities regarding the final alternatives

Each person will receive a general comment form where he/she can provide comments or concerns regarding the final alternative plans.
