

Healthy Watersheds, Healthier Communities

Fairfax County Stormwater Planning Division

Agenda

Little Rocky Run and Johnny Moore Creek Watershed Advisory Group Meeting #3

Monday May 18, 2009, 7-9 p.m.
Little Rocky Run HOA Recreation Center #3
13900 Stonefield Drive
Clifton, VA 20124

- 7:00 p.m. **Welcome and overview of the schedule and process for completing the watershed plan** – Karen Firehock, Public Involvement Watershed Coordinator
- WAG 4 Meeting to review prioritized projects on June 15 (proposed date)
 - WAG 5 Meeting in August to review draft of watershed plan (date TBD)
 - Public Workshop in September for draft plan comment (date TBD)
 - Plan to Board of Supervisors in Winter 2009
- 7:10 p.m. **Process used to develop of the project list and associated strategies** – Lynne Mowery, AMEC Earth & Environmental
- 7:25 p.m. **Project Comments: Break into smaller groups by watershed management area (WMA).** WAG members will review and discuss projects and provide comments on any projects for which members have questions or concerns. WAG members can visit all WMA discussion stations if desired. Example discussion questions below:
- Is this an appropriate project location? If not, is there an alternate location?
 - Do you know of any conflicts that would prohibit certain projects?
 - Are there any missing projects?
 - Do you and your community support the projects listed and if not, why not?
- 8:50 p.m. **Reconvene and recap next steps** – Karen Firehock
- Any comments on projects due in writing (email or mail) by May 22 to AMEC
 - Next meeting proposed for June 15 to discuss refined project list.
- 9:00 p.m. **Adjourn**
