Learn About Proposed Stormwater Projects in Your Neighborhood Restore Streams and Improve Water Quality in Nichol Run & Pond Branch

Join us on **Thursday, September 23**, for the Nichol Run & Pond Branch Draft Watershed Management Plan Forum to learn about the plan and the proposed projects that will address stormwater issues in your community.

This forum is free and open to the public.

Why a Watershed Plan?

The draft plan will outline a strategy to address stormwater issues and protect natural resources in the watershed. The proposed projects will help meet the County's goals for water quality and stream improvements and provide a positive impact on the residents and conditions of the watersheds.

Why Should You Attend?

- To protect and improve the quality of your streams
- To share your concerns and learn about proposed projects in your watershed
- To ensure that the watershed plan reflects the concerns of your community

Comment on the Draft Watershed Plan Before October 23
