There are oversights or land use related inequities in the adopted Plan that affect the area of concern.

Fairfax County Planning Commission Office

Justification for Nomination

Property Locations: 4111 Hummer Road, 4119 Hummer Road, and 4125 Horseshoe Road, Annandale, Mason District, Virginia.

The proposed change for the properties located at 4111 Hummer Road (Tax Map No. 59-4-((6))-20C and 4125 Horseshoe Drive (Tax Map No. 59-4-6-20D) will allow for the properties to be redeveloped into a small commercial center consistent with the adjacent property (located on the eastern side), which is currently zoned C-6 (Commercial). Please note that the adjacent property, known as 4119 Hummer Road (Tax Map No. 59-4-6-20B) has also been nominated for zoning change.

I believe that the nominated properties, along with the adjacent C-6 property will constitute a desired and urgently needed community retail center for this part of Annandale, Virginia. The proposed change will improve retail services to the local community, improve air pollution by reducing travel by nearby residents to further distance retail center, and will increase local commerce.

The redevelopment of the properties into Community Retail Commercial District will be performed in accordance with standing zoning regulations, accepted environmental management, and attractive architectural and engineering concepts. I believe that the request change will result in significant improvements over existing conditions for both the nominated properties and local community.

Regards,

Abe Chehab, P.E.

Thank you. I want to make sure that you understand this process addresses the Comprehensive Plan and you are talking about zoning categories. When and if the Plan is changed, then the properties would have to go through the rezoning process. You need to further clarify your nomination in terms of the non-residential land use categories listed in the Comprehensive Plan which are:

- Office
- Industrial
- Mixed Use
- Retail and other
- Alternative Uses
- Public Facility, Government or Institutional
- Private Recreation/Private Open Space
