The Board of Supervisors has asked county staff, in coordination with the Planning Commission, Fairfax County Environmental Quality Advisory Council (EQAC) and stakeholders, to conduct a thorough review of the county's Environmental Quality Corridor policy as it relates to proposals for disturbances to these areas. As a starting point for discussion in advance of more formal consideration of a Plan Amendment, staff has drafted a paper providing a detailed background regarding this issue as well as a draft "strawman" Plan Amendment (<http://www.fairfaxcounty.gov/planning/eqcdisturbancesstrawman.pdf>). The Planning Commission's Environment Committee will hold a **public workshop to solicit comments on the "strawman" draft from interested parties. The workshop will be held on Wednesday, January 6, 2010 at 7:30 p.m. in the Board Auditorium, Fairfax County Government Center, 12000 Government Center Parkway, Fairfax.** The Environment Committee will consider comments received at the workshop in formulating a recommendation on this issue.
