

Student Member Testimonial

Talia Schmitt is a senior at Woodson High School. She is the EQAC student member for the July 2012-June 2013 term and has prepared the following testimonial regarding her service on EQAC:

As the student representative, I was able to experience a new part of county government and learn more about the environmental problems that Fairfax County faces. I made connections I never would have been able to make elsewhere and was constantly enlightened by the people around me. EQAC is an amazing experience that I would definitely recommend to any eco-friendly teen.
