

**Submission Form for Proposed Changes to the Fairfax Center Area Comprehensive Plan (Phase II)**

Phase II of the Fairfax Center Area study will focus on Comprehensive Plan recommendations for the Suburban Center portion of the area, as is illustrated in the map to the right. Phase II will also include an examination of the [Area-wide Recommendations](#) for the Fairfax Center Area. The purpose of this submission form is to solicit potential changes to the Comprehensive Plan guidance for this area.

Complete this form detailing the proposal by May 22, 2015 to propose a change. Anyone can submit a proposed change. Please use a separate form if you have more than one change to propose.

Review of proposed changes is anticipated to begin in June 2015. Interested parties are encouraged to notify and consult with landowners prior to the submission of a proposed change. Planning staff and district supervisors' offices are available to answer questions. Proposed changes will be used to inform the study of the Suburban Center, and may be modified or combined with other proposed changes in similar geographic areas. Proposed changes that are contrary to longstanding Plan policies or do not meet the criteria stated on this form may be excluded from consideration.

To use this form, type responses or print in ink. Attachments may be used as necessary. An online version of this form is also available on the Web at: [http://www.fairfaxcounty.gov/dpzd/fairfaxcenter/submission\\_form/](http://www.fairfaxcounty.gov/dpzd/fairfaxcenter/submission_form/)

c) (for site-specific and areawide topics) Provide justification for the proposed change. Describe how the proposal meets any of the following criteria and why the proposal should be included in this phase of the study. Check all that apply.

- Address emerging community concerns or changes in circumstance
- Respond to actions by others, such as Federal, State, or adjacent jurisdictions
- Advance major policy objectives, such as promoting environmental protection, fostering revitalization of designated areas, supporting economic development, preserving open space, providing affordable housing, or balancing transportation infrastructure and public facilities services with growth and development
- Better implement the Concept for Future Development
- Reflect implementation of Comprehensive Plan guidance through zoning approvals
- Respond to or incorporate research derived from technical planning or transportation studies
- Other

Explanation for (c). (Additional sheets may be attached.)

The property owner currently operates a museum as an accessory use in its existing office building. The owner has recently acquired additional land area and seeks to expand the existing museum in response to public demand. Such a use is complementary to the existing office use given that it is an off-peak trip generator with most visits occurring on weekends and holidays.
