The **Laurel Hill Project Advisory Citizens Oversight Committee**, established by the Fairfax County Board of Supervisors, monitors the development of the former Reformatory and Penitentiary areas. The Committee – sometimes referred to as the **PAC** – continues the work begun by the Laurel Hill Adaptive Reuse Citizen Advisory Task Force. The role of the PAC is to ensure an objective and transparent development process for all County stakeholders, including the Board of Supervisors, citizens, special interest groups, and development partners and to implement plans in accordance with all relevant documents and decisions, including the Memorandum of Agreement, the County Comprehensive Plan and the final Laurel Hill recommendations approved by the Board of Supervisors.
