

M

metro

is coming to Reston

YOU'VE heard it and maybe you can't wait for the day you can hop aboard a train rather than sit in traffic.

BUT what will Reston be like once Metro arrives? Gridlock around the stations? Asphalt and concrete replacing trees and walking paths?

YOUR Live, Work, Play and Get Involved gone? Not necessarily.

Learn why by attending the free seminar

Ask questions and learn how Metro will affect YOUR neighborhood. IT'S TIME WELL INVESTED.

Transit Oriented Development: *A Tale of Two Counties and How a Connected Street Network Can Support a More Attractive and Walkable Reston*

When: Saturday, May 15, 9-11 a.m.

Where: South Lakes High School, Seminar Room
11400 South Lakes Drive
Reston, VA 20191-4199
703-715-4500

You will hear how Arlington and Montgomery counties have both turned the areas around metro stations into beautiful, tree-lined streetscapes, where people walk, bike, live and shop... and businesses thrive and how a connected street network improves traffic and access while it prepares areas for transit oriented development.

Bob Brosnan, *Chief of Planning, Division*
Department of Community Planning, Housing and Development, Arlington County

John Carter, *Chief of Design*
Maryland-National Capital Park and Planning Commission - Montgomery County

Ian Lockwood, *Principal, Design and Planning, AECOM*
