1. Access (non-auto): bus, pedestrian, bike, wheelchair
2. Diversity: school (public, university)  
Older / boomer / aged / homeless
3. Public uses: government, police, libraries
4. Complement - not compete with – Lake Anne Center
5. What about the last piece of the “natural” area, north of Sunrise Assisted Living?
6. Need a smaller scale map of all of Reston (1:50,000)
7. Compass “roses” painted on path
