Fairfax Hunt Club Rezoning Plan:

As the current and original owner, I have lived in Hunt Club Cluster consistently since 1971 when my belated husband, Lt Col Harry V. Runge and I bought our townhouse on Green Run Lane in Reston, Virginia. Harry now rests along with other American military at Arlington cemetery.

Preservation of our American history is extremely important to all of us and it is our duty to maintain it.

I believe the historic unnamed cemetery #FX242 in question which is located on the property known as the Fairfax Hunt Club on Lake Fairfax Drive, Reston, Virginia deserves to be preserved in every way possible. Least of all, as suggested, a 500 foot buffer surrounding the parcel needs to be provided.

We should remember that grave sites dignify a cemetery and therein is where our history exists!

Appreciate your help in preserving this cemetery,

Jean A. Runge
