

Schedule of Initial Community Outreach Dialogues

The Tysons Land Use Task Force is hosting approximately 20 community dialogues to identify what is important to the community regarding the future growth of Tysons Corner and how the introduction of rail stations will affect growth. This series of dialogues will be the initial step in gathering community input on the future of Tysons. **Please call the Tysons Community Dialogue Hotline at (703) 324-1344 to reserve a space for yourself in one of the dialogues, or send an e-mail to tysonscornerspecialstudy@fairfaxcounty.gov . Dialogue locations have different capacities, please let us know that you are coming so that we can accommodate as many people as possible.**
