Establish a single, regional transportation management plan (TMP) that embraces all 6 projects

One Voice – One Team – One Message

- Coordinated maintenance of traffic and incident management
- Coordinated business and community outreach
- Potential for combining commuter strategies
- Controlled, coordinated messages
- Single source for information/less confusion

Regional TMP – Next Steps

- Hire TMP Manager
- Form Advisory Committee and Technical Committees
- Secure start-up funding in July
- Convene subcommittees in June/July
- Complete regional plan mid-2008
