

Building A System of Prevention: A Foundation for the Future

Thank you for coming!

Thank you all for participating in the May 16 Symposium, *Building a System of Prevention; a Foundation for the Future*. We are excited to have you as a partner in this countywide initiative and look forward to working with you in the future. This email includes a summary of the evaluation results from the symposium.

As for next steps, many of you will be asked to participate in the goal groups this fall, doing the follow up to the work we began with Phil Lee on May 16. All of you will be asked to continue to be partners and liaisons in this exciting effort as we communicate to the broader workforce and begin to strategically align your work with the prevention system. If you have questions, please feel free to talk to your agency's representative on the Prevention Coordinating or Strategy Teams (see attached) or contact the Countywide Prevention Coordinator, Denise Raybon, at (703) 324-7124 or denise.raybon@fairfaxcounty.gov.
