Notification to the parties of pre-processing has been added. Mr. Damon requested that since the number of pollwatchers for pre-processing is specified, the number of pollwatchers allowed in CAP be added to the guidelines as well. (Issue concerning Federal Write-In Ballot later overtaken by statute.)
223	7	Absentee ballots - Env. B Statement of Voter - omissions		24.2-706	6-Apr-10	No	Overtaken by statute (esp. 2014) and SBE regulation. 224	7	Absentee ballots - Env. B Statement of Voter - omissions		24.2-706	29-Oct-10	No	Overtaken by statute (esp. 2014) and SBE regulation.	In the absence of clarification from SBE regarding material omissions on the B envelope, CAP election officers are directed to continue using the directions provided by the EB in October 2009 and reaffirmed April 2010.
225	7	Absentee ballots - Env. B Statement of Voter - omissions		24.2-706	1-Oct-12	No	Overtaken by statute (esp. 2014) and SBE regulation.	EB voted 3-0 that CAP accept absentee ballots when the street address matches, but the apartment/room number does not match or is missing in either VERIS or on the absentee ballot. This would entitle a voter to vote as long as they are registered and live in that precinct.

Fairfax County Electoral Board
Policies Adopted Since 2006
(Through Oct 10, 2014)

226	7	Absentee ballots - Env. B Statement of Voter - omissions - FWAB		24.2-706 and Chapter 4.1	29-Oct-10	No	Overtaken by statute (esp. 2014) and SBE regulation.	EB moved that the Secretary ask for an immediate AG opinion seeking permission to accept Federal Write-In Absentee Ballot (FWAB) where the address field has automatically been pre-populated with the voter's registration address, rather than the overseas address. The Code is specific in requiring the overseas address; the ballot must be rejected if it is not provided.
227	7	Absentee ballots - Federal only		24.2-707 and Chapter 4.1	29-Oct-10	Yes		EB agreed to segregate those FWAB ballots where the voter was permitted to vote a federal ballot only but received a full ballot. CAP will be instructed to count the federal election only.
229	7	Absentee ballots - FWAB applications		24.2-707 and Chapter 4.1	29-Oct-10	No	See 2 Nov 2010	EB moved that the General Registrar seek guidance from the AG and the County Attorney whether state law permits acceptance of the FWAB if the state ballot is rejected.
228	7	Absentee ballots - FWAB applications		24.2-707 and Chapter 4.1	29-Oct-10	Yes		EB accepted the recommendation that the General Registrar determine whether a FWAB application is valid prior to sending it to CAP for consideration. Staff will provide redacted copies of the applications since they contain social security numbers.
230	7	Absentee ballots - FWAB applications		24.2-707 and Chapter 4.1	2-Nov-10	Yes		In a conference call with SBE, if a locality receives both a state absentee ballot and a FWAB from the same voter, and the state absentee ballot is rejected, the properly filled in FWAB would be accepted.
231	7	Absentee Ballots - late arriving - not counted - review		24.2-669(1)	22-Jan-14	No	Temporary	EB voted 3-0 to authorize the General Registrar to petition the SBE, under Va. Code § 24.2-669(i), to allow staff to open the sealed box of late arriving absentee ballots, in custody of Fairfax Clerk of Court John Frey. This will enable determination of the actual number and character (domestic versus military mail or international mail) of such late arriving ballots in order to better understand voter issues, and provide the information when requested in regard to UOCAVA voters.
232	7	Absentee ballots - returned incomplete		24.2-706	26-Oct-09	No	Overtaken by statute (esp. 2014) and SBE regulation. (31 Oct 09 minutes: By a 2-1 vote (with Ms. Coryell voting nay), the EB reaffirmed its October 26, 2009 decision concerning what constitutes a properly completed "B" envelope.)
233	7	Absentee voting - Ballot transmission		24.2-706	16-Aug-05	No	Overtaken by statute	General Registrar Jackie Harris requested guidance concerning the SBE's guidelines stating that if a voter provided an e-mail address when requesting an absentee ballot, the voter would automatically receive one by e-mail. EB unanimously decided not to follow the SBE's recommendation. The Fairfax County EB would only e-mail a ballot if the voter specifically requested it.
