

Did you know that youth who have opportunities to participate in community, school and faith-based activities are less likely to join a gang or participate in gang violence?

Activities should include opportunities for youth to:

- ✓ Have meaningful interactions with adults.
- ✓ Make choices.
- ✓ Participate in a decision-making process.
- ✓ Learn a new skill and build confidence.

The inclusion of an organization or service does not imply an endorsement of the organization or service, nor does exclusion imply disapproval.

Did you know that youth who communicate with their parents and who live in households with clear consistent rules are less likely to join a gang or participate in gang violence?

Parents and Guardians can:

- ✓ Have frequent and in-depth conversations with their children.
- ✓ Establish clear boundaries for behavior.
- ✓ Enforce structure and rules within the household.
- ✓ Take reasonable disciplinary actions when rules are violated.

The inclusion of an organization or service does not imply an endorsement of the organization or service, nor does exclusion imply disapproval.

Did you know that youth who have meaningful interactions with other adults are less likely to join a gang or participate in gang violence?

Youth/Adult interactions are most meaningful when they:

- ✓ Are frequent and consistent.
- ✓ Are positive.
- ✓ Are part of a support network.
- ✓ Include kin and non-kin adults.
- ✓ Offer access to a variety of viewpoints and experiences.
