

County of Fairfax, Virginia

*Certificate of Recognition
presented to*

Fairfax County Health Department

*for its outstanding response to the H1N1 pandemic, educating the public about flu transmission and prevention;
outreach to vulnerable groups; surveillance; overcoming vaccine supply challenges; and delivering
an unprecedented number of doses of influenza vaccine through mass vaccination
clinics during an extended period of time, while maintaining
routine public health services.*

Sharon Bulova, Chairman
Fairfax County Board of Supervisors

March 9, 2010
