

PAT WILLIAMS

Cathy Hudgins, Hunter Mill Supervisor, invited me to serve on the Long Term Care Council. I am the owner of GraceFul Care, a non-medical caregiving agency, and I represent the private sector to the Council. My agency is representative of my passion to improve the quality and range of services for our precious elders. As Chairman of the Herndon Dulles Regional Chamber of Commerce and past Assistant Governor of Rotary International, I am in a position to help forge private-public partnerships to enhance the success of long term care in Northern Virginia.
