The 2nd Annual Fairfax County/Northern Virginia "Jeans Day" fundraiser and community awareness engagement will take place this year on Friday, December 14. Public and private employers, as well as other organizations across Northern Virginia, will come together in the spirit of highlighting and fighting homelessness in our community by allowing employees to wear jeans to work in exchange for a \$5 contribution to the Partnership to End Homelessness. Last year, over 100 employers representing more than 3,000 employees participated! We hope to increase that number this year.

This is a great way to engage your employees or members in a community give-back initiative and enable your organization to make a meaningful contribution to ending homelessness in our community. Companies and organizations are encouraged to match employee contributions, but a match is not required. All proceeds benefit the *Partnership to End Homelessness*.
