Join Target, the Office to Prevent and End Homelessness and local partner nonprofits as we volunteer to help those in need in our Fairfax-Falls Church community.

We need your help to sort and package basic needs items for families and individuals who are moving into housing.

Visit www.FacetsCares.org/volunteer/OnTarget.htm to view a wish list.

Items can be donated by participants,
so please stop to shop for those in need!

Children and adults of all ages are welcome.

In addition to volunteering, enjoy a variety of fun activities designed to educate community members about **how to get involved with area nonprofits working to end homelessness.**

For more information and to sign up to volunteer, visit www.facetscares.org/volunteer/OnTarget.htm.
