

**Fairfax County Youth PIT  
January 25, 2017  
VOLUNTEERS NEEDED**

Each year the Department of Housing and Urban Development (HUD) requires communities serving people experiencing homelessness, to conduct a Point in Time (PIT) count of the homeless in their community. This provides them a national snapshot of homelessness which then informs priorities and funding.

This year, HUD is asking communities to do an expanded Youth PIT count to learn more about youth and young adults that are either precariously housed or homeless in our community. As part of that count on **January 25**, we will be deploying survey teams to various locations throughout the county. Those teams will be trained during the first hour of their shift. The remaining time in their shift will be conducting brief surveys with youth and young adults, ages 13-24. Below is a list of locations and the shifts. **VOLUNTEERS ARE STILL NEEDED!** Please share with colleagues and communities.

**Volunteers MUST pre-register.** Interested volunteers should contact Amanda McGill at 703-324-3240 or [Amanda.McGill@fairfaxcounty.gov](mailto:Amanda.McGill@fairfaxcounty.gov).
