

Volunteers

Needed for the "Splash" Program
Sponsored by The Joey Pizzano Memorial Fund

Volunteers are needed to help individuals with disabilities (ages five through 21) learn to be safe and have fun in and around the water. Under the guidance of a water safety instructor, volunteers will assist participants with skill building games and exercises during an exciting and fun-filled Saturday afternoon. This is an excellent way to complete required service learning hours, and the kids need you, so please come out and "Splash" today.
