Name of program or service:	
<i>Question</i>	<i>Response</i>
What are the <i>results and impact</i> of the service?	
What is <i>demand for services</i> ? What has changed – increases or decreases?	
How does the service <i>coordinate with</i> services directly provided by county departments or contracted out?	
<i>Why</i> should this service continue to be funded or provided new funding by the Board of Supervisors?	
What other funding sources are <i>leveraged</i> in support of the services?	
What is the long term sustainability plan? How can the services be sustained over time and should they be? What are <i>opportunities for cost savings or efficiencies</i> ?	
How does the <i>service support/leverage</i> cross-cutting, system-wide work?
