Dear Hunter Mill Friends,

We had a brief meeting this morning with only 1 item on the agenda.

The Board readopted a resolution to create the Phase II Dulles Rail Transportation Improvement District. Per Va. Code, its governing body (the "District Commission") will be composed of four members of the Fairfax County Board of Supervisors appointed by the Board, one member of the Town Council of Herndon appointed by the Council, and the Chairman of the Commonwealth Transportation Board or his or her designee, ex officio. Accordingly, immediately after creating the Phase II District by readopting the District resolution, the Board appointed four of its members to the District Commission: Chairman Bulova, Sup. Hudgins, Sup. Foust, and Sup. Frey. The District Advisory Board's (the property owners' advisory body) six members will be appointed by the Board at its meeting on January 12, 2010.

The Board also passed a motion ratifying the county executive's declaration of a state of emergency in response to the weekend's snowfall.
