July 31, 2012

Dear Hunter Mill Friends,

Our busy meeting kicked off with several presentations including a well-deserved recognition for Mayo Stuntz of Vienna, a local historian and treasure. Mayo was one of the original members of the Fairfax History Commission and served on history related boards for nearly 50 years. On the business side, we approved a streetcar line as the locally preferred option for transit along Columbia Pike. The streetcar line is a joint project with Arlington County and will run from Pentagon City to Skyline near Bailey's Crossroads. We authorized a public hearing at our next board meeting on September 11th to amend appropriation levels of the FY2013 budget and consider the [FY2012 carryover package](#). As always, more information on Board activities is available on the [County website](#) or by calling my office.

I hope to see you out and about in the Hunter Mill District.

Cathy Hudgins

7-31-2012 Board Action Highlights

Below are excerpts from the **July 31, 2012 Board of Supervisors** meeting that may be of interest to you as a Hunter Mill District constituent. For additional details, please go to the County's [Board Agenda and Meeting Schedule](#) section on the County's webpage. Some County links may not be active until later in the week.

PRESENTATIONS

Mayo Stuntz was recognized by the Board for his many years with the Fairfax History Commission and his work capturing the history of Fairfax County and the Hunter Mill district.

Maame Biney was recognized for her accomplishments at the national speedskating championships where she dominated in her age group. Maame is a rising 7th grader at Hughes Middle School.

ADMINISTRATIVE ITEMS

Admin 1: Authorization to advertise a public hearing, on September 11, 2012, at 10:30 a.m., to amend the current appropriation level in the FY 2013 Revised Budget Plan. The advertisement encompasses both the County and the Schools' *FY 2012 Carryover*. School Board funding adjustments included in the advertisement is based upon the School Board's actions on July 26, 2012

Admin 2: Authorization for the Fire and Rescue Department to apply for funding from the Department of Homeland Security for a staffing for adequate Fire and Emergency Response (SAFER) Grant. The department will apply for funds under the Hiring of Firefighters Activity to create 15/15.0 SYE additional merit firefighter positions to ensure that there is an adequate cadre of personnel to staff five truck companies according to the National Fire Protection Association (NFPA) standard of four person minimum staffing.

Admin 6: Authorization to advertise a Board of Supervisor public hearing for September 11, 2012, 3:30 p.m. to amend Fairfax County Code Section 67.1-10-2(b) to extend the period for connecting to County-Constructed extension and improvement facilities at the Connection Rates in effect prior to July 1, 2011 to provide a limited extension, to December 31, 2012 for the old rates for those property owners who can claim their connection was delayed by hardship as determined by the Director of the Department of Public Works and Environment Services. (Including the Piney Run and Glen Brook subdivision). Approximately 25 hardships, the maximum fiscal impact amount would be \$366,250.

ACTION ITEMS

Action 2: Approval of a cooperative agreement between Fairfax County in partnership with the United States Geological Survey to enter into the joint funding agreement for an expansion to the existing water resources monitoring network.

Action 3: Authorization for the Chairman to sign the Workforce Investment Act (WIA) Title I grant award agreement between the Virginia Community College System and the Northern Virginia Workforce Investment Area XI. Workforce Area 11 WIA Formula funding award for FY2013 is **\$3,628,846**. Additional WIA funds will follow the WIA Formula grant awards during the fiscal year bringing the estimated fiscal impact to **over \$5 million**.

Action 4: Acceptance of the Alternatives Analysis/Environmental Assessment and Approval of the locally preferred alternative for the Columbia Pike Transit Initiative and approval of the streetcar as the Locally Preferred Alternative.

Action 5: Approval of Head Start/Early Head Start Policy Council Bylaws, Self-Assessment Report, and Conversion of FCPS Home-Based Program Option. No fiscal impact. Early Head

Start funding from the federal government will remain at the current level and all funding for the FCPS home-based option will be reallocated to the FCPS center-based option

Action 6: Approval of Year-End Processing

- Authorize staff to process payment vouchers for items previously approved and appropriated in FY 2012 for the interim period from July 1 until the Board approves the *FY 2012 Carryover Review*, which is scheduled for action on September 11, 2012.
- School Board fund requiring an additional appropriation for FY 2012. Supplemental Appropriation Resolution AS 12146 for one County fund and one School Board fund requiring an additional appropriation for FY 2012
- Approval of Supplemental Appropriation Resolution AS 12146 will result in no net increase in FY 2012 total expenditures for all funds.
 - In addition, this item relates to funding for previously appropriated items approved in FY 2012 and carried forward to FY 2013 for payment

Action 7: Approval for the Department of Public Works and Environmental Services to donate a surplus Road Tractor to the Northern Virginia Community College Education Foundation for use in their diesel mechanics program.

Action 8: Authorization for the County Executive to execute a small generator interconnection agreement between Virginia Electric and Power Company d/b/a/ Dominion Virginia Power and Fairfax County to facilitate the use of standby generators at the Noman M. Cole, Jr., Pollution Control Plant. Project is currently underway to replace three aging standby generators with five new generators that will enable the plant to run more critical treatment processes during power outages, curtail energy consumption during peak power demands, and disconnect from the Dominion grid in anticipation of severe weather events. To facilitate the new generators, the County will need to construct, operate and maintain its interconnection facilities.
