Hunter Mill Highlights is my electronic newsletter. Please share this issue with your organizations. To be added to our mailing list, e-mail me at hntmill@fairfaxcounty.gov

Dear Hunter Mill Friends,

With the approaching spring weather there are many opportunities for residents to find themselves outside enjoying the warming temperatures. Whether it is doing much needed yard work, visiting shops, or to walk, jog, or bike, the changing season energizes us for the coming season.

While I have been out walking more I have visited with residents, and have had the opportunity to discuss Hunter Mill District and Fairfax County activities, I am reminded how residents have such an opportunity to participate in the governing process.

In Hunter Mill District, I try to facilitate many opportunities for citizen participation and engagement in the District and throughout Fairfax County. On March 3rd, at an appreciation breakfast held for Hunter Mill District appointees, I received valuable feedback on housing, human services, land use, and of course, the proposed budget.

Another such opportunity for engagement is the upcoming transportation workshop being held by Reston for a Lifetime, on Saturday March 31st, at the Reston Community Center at Lake Anne. This workshop, part of the many activities being planned by this all volunteer committee, will feature information about community transportation and transit options.

As well, I am once again hosting two community budget meetings, one on March 24th, in Reston, and the other on March 31st, in Vienna (*details are on page 2*). If you cannot attend either of the meetings, I welcome your letter, email, or phone call. However you choose to participate, I look forward working with you so that our District remains strong and vibrant.

I hope you enjoy this month's newsletter.
