

Attention Business Owners:

**You are
invited to
attend a
pandemic flu
seminar**

Keeping Your Business Healthy:

Strategies for small businesses to remain open during an Influenza Pandemic

Topics: Pandemic flu and individual preparedness, understanding the impact on your business, disaster preparedness planning assistance

"Small business should plan for 30 to 40 percent of employees, suppliers, contractors and vendors unable to work due to illness, or caring for a loved one at home. Business owners must take responsibility to prepare themselves and their business operations for pandemic flu."

*— Gloria Addo-Ayensu, M.D., M.P.H.
Fairfax County health director*
