Board Matter

June 22, 2009

Madam Chairman- Bob Ross has served for over 28 years as an Assistant County Attorney, being the lead counsel representing the County on several federal civil rights cases. During his tenure with the County Attorney's Office, he served as the liaison to the Police Department. In this role he played a significant part in the development of Police Department policies, procedures, and training. Bob's leadership has not gone unnoticed. In 2004 he was the recipient of the Don Smith Employee Advisory Council Award, and this past April the Criminal Justice Academy re-named its award for the recruit with the high academic average the Robert Ross/Academy Director's Award. Bob has not only been recognized with awards, he has also been a well-recognized presenter on legal issues involved in the representation of police departments and police officers at a range of conferences.

As this Board recently learned, Bob retired on June 9th. Madam Chairman- I ask for unanimous consent to bring Assistant County Attorney Bob Ross to the Board for recognition of his service and accomplishments serving Fairfax County.
