JEFFREY C. MCKAY
LEE DISTRICT SUPERVISOR

Board Matter

October 5, 2009

On September 24 a press conference was held at the McConnell Public Safety and Transportation Operations Center to brief the press on the largest mortgage fraud investigation in Fairfax County history. I am proud of the community and our County agencies, especially the Code Enforcement Strike Team and Police Department, who worked together on this investigation for years before bringing it to a successful close.

Madam Chairman, I move that we invite the representatives from these agencies involved in this enormous effort to a future Board of Supervisors' meeting, in particular the leaders of the investigation: Police Chief Col. David Rohrer, Major Shawn Barrett, Jeff Blackford who heads up the Strike Team and Dave McKernan who formerly headed up the Strike Team should all be invited to receive recognition from the Board for their dedication and hard work on this long-ranging, complex investigation.
