Come out to the Games but don't just spectate ... **PARTICIPATE!**

Form your own cheer squad to let 10,000 public safety athletes from around the world know how welcome and appreciated they are.

Everyone can join in: A great activity for families, youth groups, companies, charitable organizations and spectators.

Get creative: Have a pre-Games cheer party to make banners and signs (Go Teams! Hooray for Heroes! Thank you! etc.) and even practice cheers.

Choose an event: Find the event(s) you want to attend at www.fairfax2015.com/schedule (actual competition times will be available one week before the Games).

Come out and cheer: No signing up, just come out with your signs and pom poms and cheer for ALL our heroes from 63 countries.

Share on social media: Post your cheer parties and game day cheering with the hashtag **#cheer4heroes #wpfg**
