### Assembly:

1. Print on cardstock.
2. Cut out, laminate for durability and add scratch side velcro (feltboard) or magnets (magnetic board) to the back of each piece.

### Using the props:

1. Introduce the children to NUTTY.
2. Ask if they know the BINGO song and tell them you're going to sing a similar song about NUTTY.
3. Spell Nutty's name, having the children identify each letter before you place it on the board.
4. Sing the song:  
I know a squirrel with a bushy tail,  
And Nutty is her name-o.  
N-U-T-T-Y,  
N-U-T-T-Y,  
N-U-T-T-Y,  
And Nutty is her name-o!
5. Replace the letter N with a "swish" and sing the song again.
6. Continue until all letters have been replaced with "swish" sounds.
