Dear Property Map Customer:

Welcome to our first full color property maps of Fairfax County. In the 2005 edition of the Property Maps we discussed our move to digital map production and digital map publishing, and included samples of what property maps might look like in full color. The new color map series in this book contains changes to most of the features identified in the 2005 edition. They include changes symbols as well as the addition of color.

Here is a list of the new symbology, along with the old version:

New Map	Old Map
