# 2012

The Board of Supervisors is the governing body of Fairfax County. It consists of nine members elected by district, with each district of approximate equal population, plus a chairman elected at-large. Board members are elected to four-year terms.

The Board establishes county government policy, approves resolutions and ordinances (within limits of its authority established by the Virginia General Assembly), approves the budget, sets local tax rates, approves land use plans, and makes appointments to various non-elected positions. The Board appoints a county executive, who is the administrative head of the county government and is responsible for the administration of all the affairs of the county, which the Board has authority to control. The Board meets on Tuesdays in the Board Room at the Fairfax Government Center, 12000 Government Center Parkway in Fairfax. Meetings are open to the public and are broadcast live on cable Channel 16.

## Revitalization

[www.fairfaxcounty.gov/business/revitalization](http://www.fairfaxcounty.gov/business/revitalization)

Revitalization is a key issue in Mason District. We all want to shop in an attractive and vibrant downtown. There are great advantages here: a dense and dynamic population; a proximity to major roads and mass transit; and the name recognition that these commercial districts enjoy. However, we are facing increasing urban challenges that must be addressed now: aging buildings, busy streets, and an evolving and diverse population that should be embraced.

On a broader scale, the economic health of the entire county is dependent upon efforts to revitalize close-in, older commercial areas. In Mason District, there are two designated revitalization areas: Annandale and Bailey's Crossroads/Seven Corners.

Revitalization demands a buy-in from all parts of the community. Fairfax County is taking exciting new steps to attract quality development to our older areas. Local community volunteers and organizations are leading the way. For information about the monthly meetings of our local revitalization groups, please call Supervisor Gross' office, or stop by the Mason District Governmental Center, 6507 Columbia Pike in Annandale.
