Summary

Should the Task Force recommend the Board of Supervisors to proceed with a referendum for a meals tax?

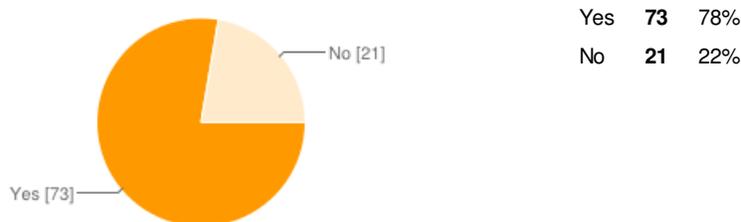

If Yes, should the Task Force recommend the timing (what year?) for the Referendum to be put to voters?

no 2014 2015 2016 ASAP Next Congressional Election No n/a na 2015 General Election Yes

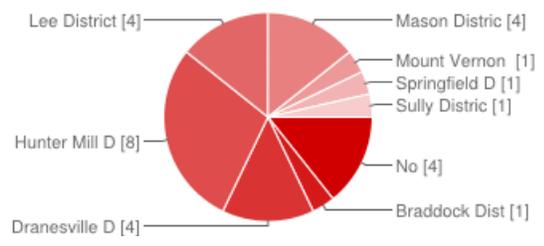

How should the expected revenue of \$88 million be used?

For "genral" needs; not dedicated to "special" needs. test schools and affordable housing Lower real estate taxes libraries, schools, parks N/A for schools and other public services Schools Parks and Libraries if passed, Schools and Public Roads and Safety Offer free educational programs on healthy eating habits, nutrition, cooking classes, emergency preparedness (aspects related to dealing with food shortages during emergencies/crises). Only a fraction dedicated to add to food banks. A meals tax should not be collected. County already has added a tax on gasoline No more tax increases! We've had significant tax increases in both 2004 and 2012! We have a spending problem, not a revenue problem! Cut real estate taxes general fund Keep residential taxes down while paying for additiional Countyand FCPS service, but require also that BOS and School Board have truly independent auditors and have the auditors scrub the budget assumptions schools fcps Schools Schools first, then roads. School fairfax county public schools Education/public schools if done, for the schools Transportation, Education If you don't know, then you don't need to tax it Reducing real estate taxes Let the BOS decide how much to spend and how, and how much to lower the property tax Education and Parks FCPS; Affordable Housing; Transportation not schools, but libraries, and human services. not roads either unless the state more than matches Benefit Fairfax County schools schools and teachers to lower residential property tax only Fairfax County Public Schools capital improvements, General fund Schools and transportation
