Frequently Asked Questions

Q: Who is responsible for submitting the application fee to the Department of Neighborhood and Community Services (NCS)?  
A: The applicant is solely responsible for submitting the application fee to NCS. NCS will not accept payments submitted individually from participants or teams.

Q: If a league runs over two NCS scheduling seasons, are two application fees charged?  
A: Leagues that are completed within 16 weeks are subject to a single application fee. Leagues (or other uses) extending past 16 weeks will be charged a second application fee.

Q: Are post-season tournaments/playoffs included with a season’s application fee?  
A: Each league is provided one pre-season and one post-season tournament with their application fee. These tournaments must occur within the 16 week season, or they will be assessed a separate tournament application fee. All other tournaments are subject to a separate tournament application fee and require the submission of a tournament application.

Q: Can teams within a league request additional practice time from NCS?  
A: Leagues are allocated practice time as well as game time. Teams should approach their league administrator for practice space. Individual teams requesting space from NCS will be given space only if space is available; these requests will be subject to separate application fees.
