## Teens In The Community Talk!

Conversation With Delegate Mike Futrell, Virginia House of Delegates

Delegate Futrell began his career as a teacher. After graduating with an education degree from Lindsey Wilson College, he taught in a high poverty area. After making a career change to become a pharmaceutical representative in Northern Virginia, Delegate Futrell began volunteering as a basketball coach with the Boys and Girls Club, in his community in Woodbridge, Virginia. He felt that he needed to do more to help develop leadership and personal responsibility in children. Shortly after his move to Northern Virginia, he and his wife Dr. Bernadine Futrell founded Make the Future, a nonprofit organization which provides youth the tools needed to achieve their fullest success.
