

# 2016 CREATIVE AGING FESTIVAL

North Fairfax

**Get Creative!** Join us in celebrating the invigorating effect the arts can have on older adults across Fairfax County. From painting and writing to dancing and music, the arts make living 100 years full of meaning, purpose and grace.

The Creative Aging Festival, coinciding with Older Americans Month, is presented by Fairfax County in collaboration with the Arts Council of Fairfax County and the National Alliance of Community Economic Development Associations.
