January 2015			
Programs			
Programs	When	Time	Description
Computer Clubhouse	Monday - Friday	11 a.m. - 7 p.m.	Make your ideas come alive at the Computer Clubhouse. Hang out with friends, work on projects together and use exciting new technology. The Computer Clubhouse provides a creative and safe after-school learning environment where young people work with adult mentors to explore their own ideas, develop skills, and build confidence in themselves through the use of technology.
After-School Program	Monday - Friday	2:30 - 6 p.m.	Providing an engaging environment to motivate and inspire learning outside of the regular school day. We offer a balanced mix of academic support, sports and recreational activities.
Classes			
Classes	When	Time	Description
Practical English Classes	Tuesday	6:30 - 8 p.m.	Practicing basic English skills with volunteers. Adults practicing simple chooses, building your speech and developing skills and confidence.
Special Events/Trips			
Special Events/Trips	When	Time	Description
Movie Night	Jan. 16th	6 - 8 p.m.	Enjoy a great movie with friends. Teen enjoy the movie with popcorn and other refreshments!
VEX Robotics Workshop	Every Sat. starting Nov. to Jan 24th	10-2pm	Participants build and program robots to complete various tasks. Beyond learning science and engineering principles, such as designing and coding, VEX Robotics is a encouraging program that promotes teamwork, leadership and problem solving. Collaborators work together to prepare for competition at the end of the season. Space is limited. This workshop will take place at NOVA Annandale Campus.
VEX Robotics Skyrise Tournament	Saturday, Jan. 31st	9:00 - 5:00pm	The VEX Robotics Competition, presented by the Robotics Education & Competition Foundation, is the ultimate STEM activity for middle school and high school students (ages 11-18). Each year, an engineering challenge is presented in the form of a game. Students, with guidance from their teachers and mentors, use the VEX Robotics Design System to build innovative robots designed to score the most points possible in qualification matches, elimination matches and Skills Challenges. In addition to having a great time and building amazing robots, through their participation in the VEX Robotics Competition and their work within their team, students will learn many academic and life skills.
United Social Justice	Jan. 15th	6:30 - 8:00 p.m.	A program to educate High School students about the kind of academic decisions they need to make in high school if they want to go to college. Workshops focus on all aspects of the college application process. The program creates a supportive community composed of high school students who want to go to college, college students who act as their mentors, and leaders of the community.
Family Services Network/ACT Against violence	Jan. 28	6:30 - 8:30p.m.	Parenting Classes - Parents enjoy the interactive classes, and apply at home what they have learned. Participants report the program as non-judgmental and an ideal opportunity to improve their parenting skills. Parents also show increases in nurturing behavior, anger control and knowledge of their children's developmentally appropriate behaviors.
Family Night Dinner	Jan. 21	6 - 8 p.m.	A special time where families will find a place of support, comfort, encouragement and celebration. Dinner is served promoting the importance of eating healthy with family.

Community Meetings			
Meetings	When	Time	Description
GIRLS SCOUTS' PARENTS MEETING AT WILLSTON	Jan. 22	7:30p.m.	Engaging parents on supporting girls scouts with weekly meeting to work and providing them with basic strategies, arts and crafts.
