

Join a State or Local Professional Family Child Care Association

Virginia Alliance of Family Child Care Associations (VAFCCA).

- The VAFCCA is a professional state organization for family child care providers.
- Their mission is the professional development of family child care providers and the promotion of quality child care.
- The Alliance represents, supports, and provides training, services, technical support and resources to its members.
- The VAFCCA addresses legislative issues, which affect children, families, and child care workers, by advocating for fair and uniform regulations and enforcement.
- For more information, contact www.vafcca.org or Monica Jackson, 703-354-5913, or email Monica.Jackson@vafcca.org.

These local associations offer you the opportunity to get to know other child care providers in your area, attend regular meetings, receive referral assistance, and in some cases, receive additional training opportunities.
