

Dear SACC Parents,

Welcome to SACC's 2006 Summer Program, **CAMP DISCOVERY II**. Camp Discovery II is a place where Junior and Senior campers can imagine, create, investigate, laugh, and learn while exploring the world around them. We are looking forward to a summer filled with many new and exciting discoveries that will empower campers to build a better future while having fun.

# CAMP DISCOVERY II

***Campers, get ready for a summer of intrigue and discovery while unlocking the mysteries of the elements: water, air, earth, fire, and metal! Your adventures begin by exploring the elements through six fun-packed focus areas.***

## **Focus Areas**

***The Designers Loft:*** young architects and designers will explore and showcase the use of the elements in fashion, jewelry, boating, interiors, aviation and architecture.

***Kids Comedy Club:*** imagination takes center stage as campers develop skills and techniques used in comedy to create wacky characters and adventures involving the five elements.

***Le Studio:*** encourages artistic expression through the use of various mediums and techniques such as ceramics, marbling, airbrushing and wire sculpting techniques.

***Mad Lab:*** will engage and fuel camper's enthusiasm for science exploration and discovery.

***The Lodge:*** will foster teambuilding and fun in the great outdoors. Experiences are designed to encourage cooperation and creative thinking.

***The Zone:*** sports & fitness fun will exercise both the brains and the muscles of campers in this room.

Whether you're into sports, science, the theatre, art, or the outdoors, there's something that's sure to capture your interests and spark your imagination. Look for field trips, special visitors, and our LIFT Program (Literacy is Fun Too) to add another "element" of fun to your SACC Camp Discovery II experience.

## **Senior Campers Field Trips:**

- Prince William Forest Park Overnight Campout
- Breezy Point Beach
- Mystics Game
- Ice Skating
- University Mall Theatre

## **Junior Campers Field Trips:**

- Lake Fairfax Water Mine
- Lake Fairfax Wilderness Day
- C & O Canal Boat Ride
- University Mall Theatre
- Bowling

Be sure to pick up a copy of the Summer Highlights at the beginning of each session to see what's happening at your center.

## **SACC Facts to Remember**

- *Parent signatures on permission forms are required for designated field trips and sunscreen/insect repellent application.*
- *Your child will be provided with a refrigerated packed lunch and a beverage each day.*
- *Snacks are provided in the morning and the afternoon.*
- *Please confirm that we have a copy of your child's Commonwealth of Virginia School Entrance Health Form at the beginning of the first session he/she is attending.*
- *Please review your child's Licensing Information form to make sure all information is current.*
- *To cancel a session, please call Registration at 703-449-8989 before the session begins.*

We are looking forward to an exciting Summer program with Camp Discovery II. Please feel free to contact us if you have any questions at 703-449-1414.
