

County of Fairfax, Virginia

To protect and enrich the quality of life for the people, neighborhoods and diverse communities of Fairfax County

August 23, 2007

Hello,

On behalf of the Josiah H. Beeman Commission, I would like to thank all who shared input regarding the Fairfax County mental health systems. The feedback obtained from these initial June conversations not only provided the Commission with useful information, but will also aid the Commission in determining the direction of future conversations and research.

A document summarizing the themes heard during these conversations can be found on the Commission's website: www.fairfaxcounty.gov/beemancommission. During the September meeting, the Commission will be formulating a plan to hear further from stakeholders. As additional input is gathered and reviewed, the website will be updated with the most current information.

Thank you once again for your assistance in providing feedback on the mental health system in Fairfax County. Your input is greatly appreciated.

Margo M. Kiely
Staff Director
Josiah H. Beeman Commission
