PRESENTATION

Core Business Report

At the September 13, 2006, Administration, Management, and Budget Committee meeting, Mr. Lovelace commented that in the private sector businesses facing financial challenges, as the Park Authority is during the middle of this decade, revert to a core business approach.

In response, staff will present some historical information on how the Park Authority implemented a core business strategy in the early 1990s and the actions currently underway to refine current operations within this management approach.
