Business Activities License Fees

No person shall sell or make an offer to sell goods or services or conduct business activities within a park without the express written permission of the Park Authority. If approved, such permission is granted through issuance of a Business Activity License, the fee for which is:

- 1) the greater of \$50 or 15% of gross revenue; or
- 2) for athletic camps, clinics, and tournaments on athletic fields, the applicable rental fee established in the Park Authority Fee Schedule.

Gross revenue includes sales of any food and beverages, products or services, registration fees, participation fees, donations and ticket sales generated by an activity, clinic, workshop, program or any other event. The Gross Revenue may be adjusted by first deducting any Park Authority facility rental fees paid in conjunction with the activity/event.

Fundraising activities to support charitable services, defined as an organization that has filed a Charitable Organization Registration Statement with the Commonwealth of Virginia, must apply for a Business Activity License. The fee for fundraising events that are conducted directly by a charitable organization is \$50, plus any applicable rental fees and other charges to reimburse the Park Authority for direct expenses necessary to support the event. The fee for fundraising events that are conducted by an event or fundraising business to benefit a charitable organization is the regular Business Activity License fee applied only to the gross proceeds earned by the fundraising business, not the portion that is provided to the charitable organization.

Please call FCPA Business Office at (703)324-8516 for further information.
